Group Art Unit: 2823

REMARKS

Restriction/Election

Applicants' election with traverse of claims 1-10 in the Reply filed on March 30, 2005 is acknowledged.

Applicants have elected claims 1-10, but again respectfully submit for the record that the Restriction election was with traverse and without waiving any rights for reconsideration or filing a continuation or divisional application thereon.

Allowable Subject Matter

The Examiner stated that claims 7-10 are allowed over the prior art of record.

Claim Rejections - 35 USC §102

Claims 1-5 [sic] are rejected under 35 U.S.C. §102(a) as being anticipated by Watt (U.S. Patent No. 6,586,296 B1, hereinafter "Watt").

Claims 1, 2, and 5 have been cancelled above without prejudice.

Claim Rejections - 35 USC §103

Claim 6 is rejected under 35 U.S.C. §103(a) as being unpatentable over Wu (U.S. Publication No. 2003/00232472 A1, hereinafter "Wu") in view of Watt (U.S. Patent No. 6,586,296 B1, hereinafter "Watt").

Claim 6 has been cancelled above without prejudice.

Accordingly, the only remaining claims in the present application are the allowed claims 7-10.

Conclusion

In view of the above, with claims 7-10 being allowed, prompt processing of the application for early issuance of the patent is therefore solicited.
